

INSTRUCTIONS (Reporting Form attached)

Chapter 12.16 of the San José Municipal Code requires the elected officials of the City of San José and its Redevelopment Agency to disclose their fundraising solicitations. Section 12.16.040, adopted 4/15/2008, amended the Code to require that said disclosure reports be **filed quarterly**.

Reporting/Filing Requirements

DFR1 disclosure reports are **filed with the City Clerk** and become public records. The reports are to be filed by the required dates, whether or not solicitations were made or any contributions were received. If you have nothing to report for any quarter, mark the "Nothing to Report" box at the bottom of the form, add the dates covered at the top, and sign the form.

NOTE: The Form has been revised to disclose solicitations and contributions individually in order to take into account that timeframes between the two activities may span beyond the current reporting period. Check the box on the right when reporting a contribution received during the current reporting period which was reported as **a solicitation only** on a prior report.

Reports shall be filed no later than January 15, April 15, July 15 and September 15 for fundraising solicitations and reportable contributions or donations resulting from fundraising solicitations in the preceding calendar quarter.
